

# Student's Creed

To build true confidence  
through knowledge in the mind,  
honesty in the heart,  
and strength in the body  
To keep friendship with one another  
and to build a strong and happy community  
Never fight to achieve selfish ends  
but to develop...  
...MIGHT FOR RIGHT!

# Four Daily Affirmations

I am smart because  
I learn something new every day.

I am perfect because  
I never make mistakes knowingly.

I like myself because  
I always take action to make things happen.

And I am happy that I'm me because,  
I always choose to be happy.
